

Additional Information

Handicap accessibility:

The facility is spacious enough for wheelchair accessibility and doesn't contain any steps. However take into consideration that this is an outdoor venue so assistants may need to be provided. Also when dealing with restroom rentals this should be mentioned at the beginning of discussions so proper equipment can be supplied for your guests. As always we will try and accommodate all your guests with the best of our abilities.

Hours:

We can open our facility to you as early as you need us to for any additional preparation on your special day. Just let us know what works for you. Facility rental will close at 10:00pm. Our recommendation would be to start having guest arrive around 3-4pm in the afternoon allowing for individuals to enjoy hors d'oeuvres while you and your wedding party take pictures or socialize. Dinner could be served around 5-6pm which will give your guest plenty of time for mingling and dancing. Again this is just a recommendation.

Music:

DJ's and Bands are both welcome however acoustical live music is **NOT** allowed (ex. Amplifiers, plug-ins, microphones etc). Microphones **ARE** allowed for your MC announcements and Bridal Party toasts/speeches.

Wedding Rental Information

First off, CONGRATULATIONS on your engagement!!

The design and concept of The Grand Fish for wedding rentals allows for a true opportunity to have the wedding of your dreams the way you imagine it. The facility holds approximately 200 seated guests. No matter how elaborate or simple your design the facility serves as a beautiful backdrop allowing you to utilize different vendors and styles that fit your price range.

The Grand Fish Wedding rental fee is \$400. \$100 non-refundable deposit is due once your date has been confirmed. The remaining balance must be paid no later than one month before your reception. This rental price entitles you to the property for the day, security that watches your setup the evening before and a coordinator onsite that will collaborate with you prior to your reception, providing direction and help for you on your Big Day!! The setup and breakdown of the facility will be handled by us also so you can relax before your wedding by not having to worry about every detail and enjoy it after with none of the fuss of cleaning up. Giving you ample time to prepare for your well deserved honeymoon.

Not sure on what vendors to use or who to talk with. No problem. We can provide you with a list of our previously used vendors who have shown us quality work. We have teamed up with a tent and restroom rental company, china and decoration supplier, florist, limo rentals, cater and even bartenders and wait staff. If you want something different let us know and we'll look into it for you! If you decide to go through another vendor or find it cheaper great! We encourage that also. Want to bring your own food and beverages and are interested in having more of a cookout style design, no problem. The options are endless as we try to work together in creating what you envision.

Below you'll be able to find additional facility information listed. Don't hesitate to contact us with any further ideas or inquiries. Congratulations again and we would love to host your joyous occasion!!

Warmest Regards,

Ken & Giselle Settimo
